

2 Step Mantoux Testing:

This must be done before you are able to start working with clients. To schedule an appt call any of the 3 clinics listed below and tell them that you need a 2 Step Mantoux done for employment at Ally Home Health Care. Ally Home Health Care is responsible for the cost of the test. If you fail to have your Mantoux read by the clinic within 72 hours after receiving it you will be responsible to pay the \$18.00 that it cost to receive another test.
